

## **Our Lady of Mercy – Parent Association**

### **2011-2012**

Dear Parents and Guardians,

The OLM Parents Association sponsors a number of events throughout the year for students, parents, and families. Student events focus primarily on the Mercy tradition and helping to ensure that every young woman leaves Mercy with fond memories of her time at the school. Events for parents include educational programs and events to help you support your daughter as she develops into a confident, successful young woman. We strongly encourage and welcome your participation and involvement.

- ❖ **Every parent is a member of the Parents Association.** We welcome your active participation in any way you are able. Our monthly meetings consist of reports from our Principal, Terry Quinn, committee reports on upcoming events, and topical participation from other administrators and faculty members. Agenda topics can be suggested by parents and faculty for addition to future meetings.
  
- ❖ The **Parents Advisory Board**, a subset of the Parents Association, works to encourage greater family involvement in the Mercy traditions. The Advisory Board consists of an Executive Committee, Event Committee Chairs, and Parent Class Representatives.

Our Meetings are GENERALLY the first Thursday of every month at **7:00pm in the Board Room next to the Media Center**. On occasion meetings may be moved due to schedule conflicts, so please check the Mercy calendar at [www.mercyhs.com](http://www.mercyhs.com) to confirm dates of the meetings.

The list of events on the Volunteer Form will give you an idea of the type of activities we coordinate. In addition, we are always looking for new ideas and people to lead or assist with them. Please take a moment to fill out the form and return it to the office so that we can update our volunteer list for the year.

Many thanks for your ongoing support, and we look forward to working with you to carry on the Mercy tradition.
